Ashiyana Associates is a Jaipur-based architecture and design firm founded and managed by **Ashok Chaudhary**, a professional architect with a passion for thoughtful and practical design. Our firm is built on the principles of creativity, transparency, technical expertise, and client satisfaction. We believe that good architecture is not just about buildings, but about creating environments that inspire people and improve everyday living. Every project we undertake is approached with detailed planning, innovative design concepts, and strict adherence to quality standards. Our team works closely with clients from concept to completion, ensuring that every design aligns with their vision, budget, and timeline. This client-centric approach has helped us earn a strong reputation

For Scholars School, Ashiyana Associates provided complete architectural and interior solutions, combining modern design with practical classroom layouts to enhance comfort, learning efficiency, and visual appeal.

We focus on practical vastu solutions without unnecessary demolition, making our services cost-effective and reliable.

We design elegant and functional residential spaces including independent houses, villas, bungalows, and apartments. Our residential designs focus on space optimization, natural light, ventilation, and modern living standards.

We provide high-quality 3D views and elevations to help clients visualize their project before execution. This ensures clarity, accuracy, and better decision-making.

We prepare detailed layout plans and drawings compliant with local building bylaws and authority approvals in Jaipur.
